	<u>Per 100</u>	<u>Per 1000</u>	<u>Per 100</u>	<u>Per 1000</u>
<u>RED</u>				
<u>BETTER TIMES</u> - Rose red, good grower with Better Times Rose color, very popular in some areas.....	10.00	95.00	16.00	150.00
<u>BLAZE (New)</u> - Described as a seedling of Irene with more double flowers and more brilliant color and larger flower head. A good grower and well worth a trial for your market.....	10.00	95.00	16.00	150.00
<u>CHARLOTTE (New)</u> - This variety has been trialed from Tennessee to Maine and has been acclaimed as one of the most outstanding reds. It has a similar color to Olympic Red but does not have the crooked neck. It improves Olympic Red in nearly every detail.....	12.00	115.00	18.00	170.00
<u>DK RED IRENE</u> - Large semi-double, darker in color and more resistant to shattering than Irene. Perhaps not quite as vigorous a grower as Irene; it still is an excellent companion.....	11.00	100.00	17.00	160.00
<u>IMP. RICARD</u> - A beautiful large semi- double brick red. While it is a fast grower, the stems are sturdy with strong pedicles. Imp. Ricard is very hardy and excellent for pots or bedding. A faithful bread and butter variety.....	10.00	95.00	16.00	150.00
<u>IRENE</u> - Large semi-double red. One of the most valuable reds available. While it is thought to shatter some- what, it is always replaced very quickly by new blooms. Unsurpassed in vigor. A very fine bedding plant or pot.....	10.00	95.00	16.00	150.00
<u>OLYMPIC RED</u> - Large semi-double clear red, very compact growth habit. One of the old faithful bread and butter varieties. This variety requires more food and water than most varieties. Crooked necks are usually the result of growing dry and a condition that tends to harden the plants.....	10.00	95.00	16.00	150.00

<u>RED</u>				
<u>RADIO RED</u> - Rich clear red double. Some- times quite dark. Medium size flowers. Tall growing with rather small foliage. Subject to chlorosis when overwatered. Naturally lighter green foliage than most varieties.....				
	10.00	95.00	16.00	150.00
<u>D. T. IRENE</u> - A sport of Irene with same prolific blooming habits, and excellent growing habit, described as a Better- times in color. This variety has some tendency to sport back to Irene, but still is a worthwhile variety.....				
	12.00	115.00	18.00	170.00
<u>SALMON AND PINK</u>				
<u>MME. LANDRY</u> - A rich clear salmon. Still one of the better salmons and preferred by many growers				
	10.00	95.00	16.00	150.00
<u>PENNY (Irene)</u> - Large semi-double rose pink. A compact grower with a prolific flowering habit. Excellent pot and bedding variety.....				
	10.00	95.00	16.00	150.00
<u>PINK FIAT</u> - A brilliant salmon pink semi- double. Compact in habit with a pro- fusion of blooms. One of the best for pots.....				
	10.00	95.00	16.00	150.00
<u>SALMON IRENE</u> - Large semi-double coral salmon in color. An excellent growing variety. Fairly compact in growth habit. Profuse bloomer.....				
	10.00	95.00	16.00	150.00
<u>SALMON SUPREME</u> - Medium semi-double of light clear salmon. A good branching variety leanding itself well to pot culture or as a bedding plant.....				
	10.00	95.00	16.00	150.00
<u>ENCHANTRESS FIAT</u> - A semi-double salmon pink with beautiful grayish green foliage. One of the finest and most productive of pot plants.....				
	10.00	95.00	16.00	150.00
<u>GENIE (Irene)</u> - A beautiful clear pink semi-double, compact grower with a prolific flowering habit. Desirable as a bedding plant or spring pot...

<u>SALMON AND PINK</u>				
<u>PINK CAMELIA FIAT</u> - A beautiful new semi-double pink addition. Similar to Enchantress. The most profuse flowering variety in existence. Has all of the fine qualities of Enchantress, but surpasses it in production. A terrific pot or mass planting variety. Withstands heat and rain beautifully. You will like it.....				
	12.00	115.00	18.00	170.00
<u>PINK CLOUD</u> - A rich true pink semi-double. A heavy foliage variety with long pedicles. A natural variety for bedding. Should be pinched early to flower for Mother's Day.....				
	11.00	100.00	17.00	160.00
<u>SPRINGTIME (Irene)</u> - Large clear pink semi-double Irene. A compact grower with a profusion of blooms. One of the best Irene varieties for bedding				
	10.00	95.00	16.00	150.00
<u>SPRINGFIELD VIOLET</u> - A violet red under certain conditions, we believe probably the most desirable of the violet red Geraniums on the market today..				
	10.00	95.00	16.00	150.00
<u>IRVINGTON BEAUTY</u> - Semi-double soft rose with a salmon cast. A low growing variety with a well dressed look. A heavy blooming variety that should be used more.....				
	10.00	95.00	16.00	150.00
<u>WHITE</u>				
<u>SPARTAN WHITE</u> - A good semi-double white. More compact than most existing varieties. Clean growing and attractive as a pot or bedding plant....				
	10.00	95.00	16.00	150.00
<u>MADONNA</u> - Semi-double white. Free growing variety.....				
	10.00	95.00	16.00	150.00
<u>LAYTON'S WHITE</u> - Large flowering, prolific blooming, semi-double white. Free growing, responds nicely with the Irene varieties.....

Soil Mixture - 3 parts soil, 1 part sand, 1 part peat.

All plants will be lighted from September 20th to October 5th. This will give you a definite date and uniform response.

Night temperatures should be 60° to 62° which means that heat should be maintained when necessary from late September on.

Regular feeding of liquid fertilizer is a great aid to raising good Poinsettias.

SNAPDRAGONS

All blooming dates are approximate dates based on single stem culture, planted 4 x 4 without pinching.

A pinched program from the same sowing will bloom approximately 6 to 8 weeks later.

Either seedling or 1 $\frac{1}{2}$ " peat pots in their respective group will be available, subject prior to sale, during the month of their listing.
